

Part# SPWR 0005

55 GALLON DRUM

SPWR 0055

275 GALLON TOTE

SPWR 0275

* **NOTE:** May be sewerable depending on what is being cleaned in the tank and the city requirements.

PRODUCT DATA SHEET

PARTS WASHER CLEANER READY TO USE

Surge Industrial® Parts Washer Cleaner Ready To Use is specifically formulated for the "Parts Washer Environment" and the rigors of being used in a tank for an extended period of time.

The Ready To Use Formula can be directly added to the parts washer, eliminating the need for dilution. Consistency of chemistry: pH is consistent and controlled due to deionized water. Convenience: No need to measure, compress process from 4 steps to 1, Saves Time. Cost effective: Reduces product waste, reduces disposal costs, lower price point than the concentrate.

- **Disposable***
- **Neutral pH**
- **Non-Toxic**
- **VOC Compliant**
- **Biodegradable**
- **Convenient**
- **Time Saving**
- **Consistency**
- **Non-Hazardous**
- **Non-Corrosive**
- **Residue-Free**
- **Easy-to-Rinse**
- **Safe on all hard surfaces: Metals, plastics, paint, laminates and more**
(Test on sample area first)
